

April 2016

Dear Ellingham Families

Welcome to the Summer term!

This is usually a busy term – with everyone working well together as the year progresses. Children think back and realise how much they've 'grown' in all aspects.

It's encouraging to see the commitment, hard work and enjoyment happening in the classes I visit!

Please, remember I can be contacted via the School Office if you have any 'Governor' queries.

..... *and let's hope the sun shines!*

Best wishes

Linda Palmer – Chair of Governors
