# About Me

Dear Parents,

We have reached the end of our first week, and we are so pleased with the way the children have settled in. We have spent a lot of time playing games to help us get to know each other, and we have seen some lovely new friendships being formed. Thank you for all your support in helping your child to adjust to their new routines.

Next week we are going to be talking about ourselves and who makes up our family. Please provide your child with a photograph of their family to bring into school by Tuesday 19<sup>th</sup> September. If you have any issues with this then please see one of the Early Years team.

If your child has brought in a book bag they have chosen a library book today. Please share this with them at home. The children are able to self-select a new book when they have finished and returned their old one.

From Monday we will be encouraging all children to come into the classroom independently. Please help us with this by saying goodbye at the door. The school newsletter being sent out today mentions a 'Meet the Teacher' evening; this is for Years 1-6 as we held our new to Reception evening in July.

## Reminders

\*All children should have a named PE kit in school including a pair of plimsolls. Reception's PE day is Wednesday; please ensure that earrings are removed for that day as staff are not permitted to remove them.

\* The school uniform policy states that hair accessories should be black, brown or royal blue. Please avoid items like large bands, bows, colourful clips and flowers.

\*All children must bring in a named water bottle every day

\*All children need a named pair of wellington boots to stay in school so they can access the outdoors in all weather.

\*Please ensure all items of clothing are clearly named, especially jumpers and cardigans as these have a habit of disappearing!

Have a lovely weekend,

Mrs Peters, Miss Frewin and the Reception Team. ☺
