

25th September 2017

# About Me - Homes

Dear Parents,

With our second week completed, the children have thoroughly enjoyed exploring our new outdoor area. Look at all the fun they have had...

Thank you for sending in your photos, we really enjoyed hearing about each child's family. Please look out for the photographs which have been returned in your child's book bag.

Next week we are going to be talking about our homes. Please can you talk to your child about their house number and the type of building, e.g. house, bungalow or flat. We would welcome suitable recycling for building homes. Eg. Small shoe boxes and clean cardboard packaging.

The children are already becoming more independent when changing their library book. We hope that you are enjoying sharing each book with them.

It would be really helpful as the weather is gradually changing if you could encourage your child to put their coats on themselves and teach them how to turn the sleeves inside out on a garment.

Next week we will be teaching the sounds s, a, t and p. Please encourage your child to notice objects that begin with these sounds. E.g. s for sink, a for apple, t for tap. In Mathematics our focus is on counting accurately to 20 and beyond.

## Reminders

\*The 'Meet the Teacher' evening on Thursday 28<sup>th</sup> September is NOT for Reception.

Have a lovely weekend,

Mrs Peters, Miss Frewin and the Reception Team. ☺
