

## Year 5 Homework - Spring 1

Please pick one activity below to complete each week, so **by Tuesday 6<sup>th</sup> Feb** you will have completed **5** of the activities of your choice. This means 4 of the activities are not compulsory but may be completed if you wish.

Be creative with your work. You may stick a photo in, put a copy of some instructions you have followed, some writing about it or draw a picture.

Cross off the square when you have completed that piece of homework.

<p><b><u>PSHE:</u></b> Complete a table on what you think it means to be British (see attached sheet on the website)</p> 	<p><b><u>Maths:</u></b> Round numbers to the nearest 10, 100, 1000, 10 000 (see attached sheet on the website). <b>Or</b> Design a fact sheet outlining factors, multiples, prime numbers, square numbers and composite numbers. Give examples and clearly explain what each one is.</p>	<p><b><u>Science:</u></b> Research how Lego is made. Use your scientific knowledge of changing states to explain the process.  <a href="http://thekidshouldseethis.com/post/inside-the-lego-factory-the-robots-machines-that-make-lego">http://thekidshouldseethis.com/post/inside-the-lego-factory-the-robots-machines-that-make-lego</a> <a href="https://www.youtube.com/watch?v=zrzKih5rqD0">https://www.youtube.com/watch?v=zrzKih5rqD0</a> <b>Or</b> Create a table outlining 5 different reversible and irreversible changes.
