

Date sent out: 21st November

Year 4 Homework

Date due back: 26th November

Maths skill of the week:

Multiplying on paper

This week we have continued to multiply 2-digits by 1 digit.

English skill of the week:

To organise my writing to match purpose and form.

Task: (20 mins)

Answer these questions: Show your working out using drawings and number sentences.

1. Granny Brown took her 3 grandchildren to the cinema. An adult tickets costs £8 and a child's ticket costs £6. How much did it cost for all of them to watch the film?
2. Green paint is made with 5 pots of yellow paint (60g each) and one pot of blue paint (125g each). How much green paint is made altogether?
3. A film last 2 hours 25 minutes. What is this in minutes?

Ellingham Essentials! (Daily)

• Handwriting

Any writing in your homework book must be correctly formed, sized and joined with clear ascenders and descenders.

• Times tables

2, 3, 6, 4, 7, 8, 9, 11, 12 x tables this week (your child knows what they are working on)

• Reading

Don't forget to sign your reading record.

• Spellings

Task: (20 mins)

This half term in Science we have been grouping living things into appropriate categories, e.g. mammal, reptile, bird, insects, amphibian etc.

Choose an animal from one of these groups. Write up to 3 paragraphs explaining the characteristics of this animal that make them unique to this particular category. Try to include information about habitat, food, how it reproduces and how it breathes and moves.

Going for Gold:

Write and solve your own multiplication word problems.

Going for Gold:

Write a paragraph about the differences and similarities between your animal and an animal in a different category.
