

Date sent out: 28th November

# Year 4 Homework

Date due back: 3rd December

## Maths skill of the week:

Identifying angles

This week we have been looking at angles: right (90°), acute (less than 90°) and obtuse (more than 90°).

## English skill of the week:

We have been learning about the suffix -ly

## Task: (20 mins)

Investigating angles

Look around your house and find some angles. Think about items of furniture, kitchen appliances or toys you might find in your bedroom. Either draw a picture or take a photo and label the angle: right, acute or obtuse. Explain how you know it is that angle.

## Ellingham Essentials! (Daily)

### • Handwriting

Any writing in your homework book must be correctly formed, sized and joined with clear ascenders and descenders.

### • Times tables-multiplication and division facts

2, 3, 6, 4, 7, 8, 9, 11, 12 x tables this week (your child knows what they are working on)

### • Reading

Don't forget to sign your reading record.

### • Spellings

## Task: (20 mins)

Create a poster to show the rules for using the suffix -ly

Here are some reminders to help you:

happy—happily

careful—carefully

magic—magically

gentle—gently

## Going for Gold:

Have a look at all your findings from the task above.

How many right angles did you find? Add them together and work out how many degrees there are in total. Do you notice anything? Explain your thinking.

### Spellings a

hold

fast

class

any

year

### Spellings b

repair

chair

share

prepare

compare

pear

wear

tear

## Going for Gold:

Write a poem of your choice including at least 3 suffixes.

Below are some sentences to help get you started:

The snow danced gracefully along the ground...

A ray of sun shone happily in the sky...
