

Date sent out: 31st October

Maths skill of the week:

Next week we will be focusing on multiplication and division. To prepare for this learning, practise rapid recall of multiplication and division facts for all times tables.

Task: (20 mins)

- This week we are learning about written methods for addition and subtraction in Maths. Use the column addition or subtraction method to solve the following calculations and record your workings in your homework book.

$$1662 + 4409 =$$

$$5394 + 2376 =$$

$$3828 + 5485 =$$

$$6409 - 2583 =$$

$$9175 - 3448 =$$

$$5620 - 1896 =$$

Going for Gold:

Can you use the column method to find the missing numbers in these calculations?

$$473_ + 4692 = 9_30$$

$$72_4 - _985 = 4249$$

Year 5 Homework

Ellingham Essentials! (Daily)

• **Handwriting**

Any writing in your homework book must be correctly formed, sized, joined with clear ascenders and descenders.

• **Times tables**

Year 5 should be practicing ALL the times tables and their division facts.

• **Reading**

15 minutes daily, remember to write your reading entry!

• **Spellings**

Look back at the Year 3 and 4 spellings. Find the definitions to any words you do not know. If you have a set of spelling set to learn please do so. While reading, make sure you are identifying any unknown words.

Date due back: 5th November

Writing skill of the week:

This week we are learning the features of adventure stories.

Task: (20 mins)

With the help of a thesaurus, build a word bank of adverbs and adjectives to use for your adventure story. If you don't have a thesaurus at home, use an online version.

Going for Gold:

The Vikings were famous for their myths and legends. Use the internet to research one of these and explain why you think this story was enjoyed by so many Vikings.
