

Date sent out: 21st November

Maths skill of the week:

Next week we will be starting to look at perimeter (the total length of sides or edges surrounding a shape). To get a head start, practise finding the perimeter of rectangular objects at home.

Task: (20 mins)

Use your knowledge of multiplying or dividing by 10 to work out the calculations below. **Remember to show your**

workings!

$2680 \div 20 =$

$2680 \times 5 =$

$2680 \times 20 =$

$2680 \div 5 =$

Going for Gold:

$3 \times 8 = 24$

Use this number fact to work out the following:

$30 \times 8 =$

$3 \times 16 =$

$30 \times 80 =$

$3 \times 0.8 =$

Year 5 Homework

Ellingham Essentials! (Daily)

• Handwriting

Any writing in your homework book must be correctly formed, sized, joined with clear ascenders and descenders.

• Times tables

Year 5 should be practicing ALL the times tables and their division facts.

• Reading

15 minutes daily, remember to write your reading entry!

Spelling

All children should learn the following words:

autumn, island, whistle, solemn

In addition, please learn the spellings for your group (below). Spellings will be tested on Mondays.

Date due back: 26th November

Writing skill of the week:

To apply the features of a genre.

(non-chronological report)

Task: (20 mins)

Create an information sheet about what Vikings ate and drank. How is this different from us today?

Your information sheet (non-chronological report) must include the following features:

- Past tense
- Third person
- Technical vocabulary
- Formal language
- Generalisations

Going for Gold:

Create an advertising poster or television advert (to be emailed) promoting a Viking restaurant.

Use persuasive writing and literary techniques to entice your potential customers. If you don't have access to email, please hand in a paper copy.
