

Date sent out: 6th February 2019

Year 1 Homework

Date due back: 11th February

Maths skill of the week

Arrays—learning that an 'array' is a group of objects which are arranged into equal numbers in rows and columns.

Task: (20 mins)

Complete the attached sheet by writing the number of rows and columns and then writing a repeated addition sentence.

E.g

2 rows 3 columns $3 + 3 = 6$ or $2 + 2 + 2 = 6$

Going for Gold:

Have a look around your home and see if you can spot any arrays. Write or draw a picture of what you have found. Remember, an array has to have an equal number of objects in each row.

Ellingham Essentials! (Daily)

• Handwriting

Any writing in your homework book must be correctly formed, sized, joined with clear ascenders and descenders.

• Reading

Don't forget to sign your reading record.

• Spellings

Practice the spellings below relating to your group.

Skill of the week:

Recital and performance. We have been practising our assembly, speaking with expression and volume.

Task: (20 mins)

Please practise your lines and perform them to an audience (e.g. members of your family).

Going for Gold:

Please practise the poem for our assembly. Grey-Thompson only need to learn the first 8 lines, and O'Sullivan class need to learn the last 8 lines.
