

Home Learning

Hello Everyone,

This is a little pack to keep you busy whilst not at Nursery.

Inside you will find...

- Over 30 Activities to do at home. There are lots of things to keep your child/children busy (they can be adapted).
- Expectations of your child by the end of their Nursery Year. This is to give you an idea of where we are heading. Maybe use the time at home to practise getting dressed independently, reciting numbers to at least 10, counting accurately to 10, listening to a story and talk about the book, attempting to write their name. When your child comes back to us they can show us what they can do.
- List of books to borrow from the library
- Websites and Apps to use that are educational
- Seeds to grow
- Postcard to send back to nursery
- Name tracing laminate to practice at home. This can be wiped clean if whiteboard pen used.
- Cutting skills activities.
- Pencil tracing sheets

Play is our brain's favourite way of learning, so have lots of fun.

Best wishes,

Mrs Furlong, Mrs Eite, Miss Kennedy and Miss L
