

Email to Reception and Year 1 Parents and Carers – Tuesday 2<sup>nd</sup> June 2020

Dear Reception and Year 1 Parents and Carers,

Everyone is really looking forward to your return tomorrow at 8.45– we can't wait.

I have provided a link to a video clip of the entrance to Harrow Close to show the system for arrival. <https://youtu.be/RCMqFkkV8YE>

There are 2M queuing marks just outside of the gate but we would really encourage everyone to try to arrive as close as possible to 8.45 to avoid too much crowding before the gates open. The drop off area is closed off and we would encourage everyone to walk to school.

A member of the senior leadership will help direct the children through the gate to their teachers, who will be waiting for them just outside of the building to direct them to their designated teacher. The children will line up in their bubbles at specific markers before being led into class.

Rabbit class teachers are Mrs Peters and Mrs Eite, and Owl class teachers are Miss Frewin and Mrs Salam.

Grey-Thompson teachers are Mrs Capes and Mrs Cluer, and O'Sullivan teachers are Mr Birch and Mrs Wort. Mrs Corps is currently working from home and many of you will be aware that she is shielding. We are delighted to announce that she is expecting her second child.

Pick up tomorrow is at 12.00 for Reception children and 1.30 for Y1 children. We will lead children to the Harrow Close gate and dismiss to parents from there.

Please remember uniforms, lunchboxes (Y1), snacks (R and Y1), waterbottles and PE kits. Although rain is expected tomorrow, please remember sun hats and to put sun cream on before school.

Look forward to seeing you tomorrow.
