Dear Children,

We hope you are all well and continuing to work hard at home. As you know, we now have some more children back in school and it is lovely to see their smiles, but it's made us realise how much we really, really miss each and every one of you and we want to see your faces! We can't have you in school in person but can do this virtually and we would like you to send in a picture of yourselves. Include your favourite toy or your pets if you have any, so we can share in your joy.

We are going to put up a display in school with all your pictures so that your faces are in school with us every day. Please email these to the school office by Friday 19th June.

We are so proud of the work you are doing at home. Please keep going with your tasks and ask your teachers if you find something tricky. We are all here to help you and we love seeing your work.

Even though we aren't all in school together, we are working hard to make sure we plan tasks and events which bring our community together. In a couple of weeks, we will be celebrating the diversity of our community with 'Ellingham Goes Global' week and we plan to launch our virtual Sports Day in July.

Thank you everyone for continuing to show resilience and motivation to learn. We are so proud of you all.

Best wishes,

Ms L Brooks

Deputy Headteacher
