Dear Key Worker Families

I wanted to notify you that we will not be open during the summer holidays. I had delayed communicating this as I was unsure what the Government guidance would be following their references to 'summer catch-up school' and didn't want to send out too many mixed messages. Now it has been confirmed that Government support for children will be provided on a longer-term basis rather than over the summer holiday, we can confirm that we will not be running our key worker bubbles.

In order to support you with your child care, we are working with a school holiday club provider and hope to get you more details by the end of the day or by early next week.

Best regards,

Mrs L Keogh
Headteacher
