**Class Photos**

Dear Parent / Carer,

Due to the current pandemic situation, we had to cancel our class photograph bookings which were to be held in March 2020. Laurence and Ella, our school photographers have created a class collage as a keepsake of the class for this year.

The class collages are now online for parents to view. Please find attached a parent mail poster with the access code for your child's class. Orders are to be made online. The orders will be posted directly to parents.

There is an Early Bird Discount for all orders made before the 24th of June.

Kind regards
