Dear Parents and Carers

Say Goodbye, Say Hello To Your New Teacher

We would like to invite all of our children back to say goodbye to their current teacher and meet their teacher for next year. For children in year groups not currently in school, we would love them to come in the afternoon for a snack and squash picnic with their current teacher and some activities with their new teacher in the hall. We will split each class into two bubbles. The hall will be laid out so that children are 2 metres apart and the teacher can lead from the front at more than 2 metres. If your child is unable to attend because they are shielding, please let us know. Year groups that are currently in school on a regular basis will meet their new teacher as part of the teaching day in their classrooms. The list of classes and new teachers is detailed overleaf.

We will start this week with Redgrave class to give the children the chance to say goodbye to Mr Hart who will be leaving the school on Friday. The timetable for all classes is below but we are still allocating children to bubbles and will let you know which day to bring your child in.

Monday 20 th July	Y2 Foster Bubble A	
Tuesday 21 st July	Y2 Foster Bubble B	

For Years 2, 3 and 4, please arrive on your allocated day at the Harrow Close gate by 1.30pm so that we can take them promptly to meet with their teacher. We will release them to you at the Harrow Close gate at 3.10pm. Please line up on the left-hand side of the gate (nearest to St Phillip's entrance). There are 2 metre red markers to ensure safe distancing.

Please ensure that they have put sun cream on at home and bring along a water bottle, sun hats and any required medication with them. If they have their own pencil case for stationery that would help as we want to avoid sharing pens, scissors etc.

If your child is in Reception or Year 1, please consider bringing them into school to join their bubble and to give them the opportunity to end the year in a positive way and to familiarise them with their new teacher.
