

Ellingham Primary School Summer Spelling Challenge!

To help you with your spellings, we have a couple of spelling games for you to have a go at over the holiday. Just click on the link and it will take you to the BBC Bitesize website.

We would also like you to have a look at the common exception words for the year group you are going into in September. These are words that you will be learning to spell and may come up in your writing. Perhaps you could come up with sentences that they may be found in or create a quiz to test yourself.

Bring your spelling sheet back into school with the spellings highlighted that you have learnt and you will be entered into the prize draw!
