

Ellingham Primary School Summer Writing Challenge!

Over the holidays we would like you to create a scrapbook diary of everything you get up to. This will really help you with your writing when you come back to school in September.

It is completely up to you how you present your scrapbook.

You may want to use a notebook that you have at home, or write on separate pieces of paper. You could create your diary on the computer - whatever way works best for you!

Try and use a range of writing in your scrapbook. One day you may choose to write a diary about what you have done that day.

Perhaps you could write a postcard about a place you have been to or a letter to someone who you haven't been able to see for a while.

Bring your scrapbook diary back into school in September for the chance to win a prize! We are looking for children who have used a range of different writing opportunities (diary, letter, postcard etc.) and worked hard on their presentation. Good luck!
