Dear Parents and Carers,

Year 6 Residential Trip on hold

Due to restrictions around Covid-19, we regret that the Year 6 residential trip cannot be progressed at this time. Before the summer break, we surveyed families to determine the level of interest in a proposed trip to the Isle of Wight and had a very positive response, even with the knowledge that deposits may be lost in the event of a cancellation.

However, the DfE guidelines are clear that we shouldn't be undertaking any overnight stays and our insurance, which renews in April 2021, is unlikely to cover cancellation costs, which by that date would include further down payments.

It is incredibly disappointing to have to make this decision but, if families are willing, we will continually review the situation and attempt to make a fast decision to rebook if the situation arises. In the meantime, we will investigate some full day activities nearer to home.

Yours sincerely,

Mrs L Keogh
