

## **Photographs at the start of term - September 2020**

Dear Ellingham Families,

We are delighted to see all the children back at school this week and would like to share some lovely photographs with you of the children.

They have been amazing learning the new routines in school and helping us to keep them safe. They have been excited to see their new teachers and eager to start learning in their new year groups.

Please click on the link below to view the photographs.
