

School Health Drop-in for Reception parents

This is your chance to speak with the School Health Team to discuss health concerns you may have related to your child and to ask any related questions.

In this drop in, the focus will be on health needs that may impact on your child's transition into the reception class.

We are offering confidential live video appointments on Monday 2nd November 2020 @ 9-11am

Please email lisa.howell@yourhealthcare.org for an appointment time.

Looking forward to meeting you

Lisa Howell

School Health Associate Practitioner.
