Parents and Carers,

Next week is anti-bullying week and the theme for this year is 'United against bullying'. As a school, we will be discussing this theme and referring to our school charter which is attached below.

Please can all children wear odd socks on Monday to help raise awareness and celebrate difference.

	<p>Children I agree to tell an adult in school if someone is repeatedly hurtful towards me, as soon as possible.</p>	
<p>Parents I agree to tell my child's teacher straight away or a senior leader if another child is repeatedly hurtful towards them.</p>	<p>Help us to keep Ellingham a bully free school.</p>  <p>We agree to play our part in the agreement.</p>	<p>Class teacher I agree to act upon reports of repeatedly hurtful behaviour and notify a senior leader immediately.</p>
	<p>Senior leaders I agree to deal with reports of bullying quickly and efficiently and speak to all children involved and consult parents.</p>	

Yours sincerely

Mrs C Cook
 Assistant Head for Inclusion
