

September 2015

Dear Parents and carers

Welcome to the Autumn term at Ellingham Primary school! If you are 'new' to Ellingham, an especial welcome!

Mrs Creegan and her staff are determined to achieve the best for our pupils and we look forward to an exciting, hard-working year ahead.

The newsletter is a way of keeping you informed. Please feel to comment etc, you are welcome to 'drop-in' sessions with Governors, should you wish to discuss any issues.

The Governing Body consists of Parents, Staff, Community and Local Authority Governors who bring to Ellingham Primary School a wide range of skills and expertise. We meet termly with extra sub-committees, concentrating on different aspects of the curriculum and school life. Our overall aim is to support the school with interest of all pupils top of the list! The School website will provide you with updates on all activities.

I can be contacted through the School Office, if necessary and if you would like to know more about the Governors' role.

Best wishes

Linda Palmer – Chair of Governors
