

January 2016

Dear Ellingham Families,

**Happy New Year!**

I hope Christmas was all it should be – enjoyed by all.

The Spring Term will offer challenge, met I'm sure, with enthusiasm. The hard work achieved in the Autumn Term will be further established and developed further.

I look forward to seeing this when I visit.

May I say that I loved the Christmas productions, a fantastic effort by all!

Please remember that I can be contacted through the School Office.

Best wishes for 2016.
