

Friends of Ellingham

Dear Parents/Carers,

We need a Team Leader willing to take over the organisation of our Fairs this year. It is a big undertaking, but very rewarding. It helps if you are organised; but let's face it, if I can do it, ANYONE can!

We'd be happy to welcome parents or grandparents to the role and FULL support will be given. All files, supplier details, lists etc. will be provided.

Please contact me via the school office if you are interested.
