Dear Parent / Carer,

Subject: Compass Estate Agents Printing Offer

Dear Parents and Carers,

Compass Estate Agents, based at 36 North Parade, have very kindly offered access to their printer for any Ellingham families who need it during remote learning time.

I have spoken to a member of their team this morning and they ask that you call the office first on 020 8397 5151 and they will let you know how to get the work to them. A member of their team will then print the work and put it in an envelope for you to collect from their office.

We are so grateful to Compass Estate Agents for this offer and we hope it helps to support you all at home.

Best wishes,

Laura Brooks
Deputy Headteacher
Ellingham Primary School
