

SPONSORED EASTER BUNNY BOUNCE!

1st April 2021

Dear Parents/Carers,

Friends of Ellingham are proud to present our first Easter sponsored event to raise much needed funds for our school. This has been introduced to the children in the school assembly on Monday and will also be discussed in class.

Over the Easter break, we would be delighted if your child could take part! They can be sponsored in any way for completing one, two or all three of the challenges, per bounce, per minute or per day. It's up to you! Please find attached a sponsor form that you can either print out or hand write your own. There is no need to return this form to us. If your child wants to show it, they can always bring it back with them after Easter. Please only ask friends and family for sponsors, do not knock on anyone's door.

If you have any queries, please email friendsofellingham@outlook.com. We hope the children will have lots of fun!

Challenge One

How many times can you bounce a ball in a minute? Repeat this for how old you are so if you are 7 years old, repeat it for 7 minutes!

Extra challenge = Can you use different balls e.g. football, basketball, tennis ball, soft ball? Which is easier and which is harder?

Challenge Two

How many times can you bounce/jump on two feet in a minute? Repeat this for how old you are so if you are 10 years old, repeat it for 10 minutes!

Extra challenge = Can you dress up for Easter and then bounce? Can someone take a photo of you? We would love to see any photos so please email them to friendsofellingham@outlook.com.

Challenge Three

How long can you bounce on a trampoline without stopping? Time yourself! Can you set yourself a target of how many minutes to reach?

Extra challenge = Can you hold a basket of eggs whilst you are bouncing without dropping them? We will leave it up to you whether these are real eggs, chocolate eggs or plastic eggs!

On FRIDAY 23rd APRIL (the first Friday back to school after the Easter break) members of Friends of Ellingham will be on both gates collecting in any sponsor money in cash. Please make sure it is in a sealed envelope with your child's first name only and class on. Alternatively, these are the bank details if you wish to pay in the sponsor money online on any day up until and including Friday 23rd April.

Account number = 26213760

Sort code = 30-98-62

If you choose this online option, please ensure that you pay in the total amount with your child's first name only and their class. This makes it easier to keep track of each child that has taken part.

The children will receive a special sticker for taking part. The class in Nursery/Reception, Key Stage One and Key Stage Two with the highest number of children that take part will be awarded a treat, for example, extra playtime.

Thank you for your continued support,

Friends of Ellingham
