Dear Parents and Carers

Creative Curriculum Contribution (Summer Term 2021)

In the Early Years (Reception and Nursery), we like to enhance your child's learning at Ellingham by offering them a creative curriculum. For instance, we make our own playdough (a cooked method using flour and salt), we grow bulbs and seeds and when possible, we cook with the children. In order for this to happen, we ask that you donate between £5 to £10 a term per family via parent pay.

You can make a payment for the Summer Term using our ParentPay online booking system please follow the link below: <https://www.parentpay.com/>. The login details for your ParentPay account have been sent home with your child already however, if you have misplaced them please contact the School office. The system is very user friendly, however if you do need assistance, the office will be happy to help you. If you do not have access to the internet, you can use the Pay Point network available at local convenience stores.

Many thanks for your support,

Kind regards

Mrs Peters and the Early Years team.
