

Email to Year 4T Families – 06.05.2021

Dear 4T Families,

Unfortunately, Miss Thompson is currently unwell and will not return to school until after the summer half-term following a hospital procedure. I'm sure you'll join me in wishing her all the best and a speedy recovery.

In the interim, Mrs Harris, who currently works with the class on a Monday morning and other ad hoc occasions, will cover 4T from Monday to Thursday and Mr Redmond will cover on Friday to ensure that curriculum coverage and children's progress is sustained.

We appreciate that the most recent Parent/Carer consultations were cancelled. Mrs Harris, Mr Redmond and Mrs Steed (4S) are available and happy to meet with you to ensure that you have the opportunity to catch up about your child's progress following lockdown. We plan to run these on Wednesday 19th and Thursday 20th May. Bookings open at 7.00 pm on Friday 7th May 2021. Best regards,
