

Drop Off and Pick Up – 08.09.2021

Dear Ellingham Families

It has been a delight to have your children back in school with us. They are so positive about being in their new classes.

Thank you for your support with drop-off and pick-up. We are aware that the pick-up for Y4-6 is not yet working as well as we would like and we will review the process as we go forward. We will communicate to you any changes as we do this.

Could those adults collecting Year 3 children please line up behind new chalk lines in classes? Once your child has been collected could you please move away promptly? We will call those collecting Y4-6 classes forward once the area is clear.

In the morning, families of children in Year 1 to Year 6 can use either the Ellingham Road or Harrow Close gate. This might ease congestion at Harrow Close although children are very quick at coming through the gates with almost every child in after 3 minutes. Amazing.

Once again, thank you for your support.

Yours sincerely,

Lisa Keogh
Headteacher
