

Year 6 Group Curriculum Virtual Meetings – 4pm, Thursday 16th September 2021

Dear Parent / Carer,

Each year group will have a virtual meeting to introduce the year group team and to talk through the approach to teaching and learning for this year. This will cover curriculum, plans for special events and the routines of school life in their year group.

The meetings will be held virtually on Thursday 16th September at 4 pm, as we do not have sufficient space to host a large number of adults in each room. We will record the sessions so that they can be viewed at a later date for those who cannot make the 4pm time slot.

Please click on the link below to join the virtual meeting for Year 1, 2, 3, 4 , 5 or 6.
