Dear Parents / Carers,

Year 4 Class Swimming 2022

We are delighted to confirm that swimming lessons are booked for Year 4 for the summer term. Swimming lessons are a statutory part of the National Curriculum and we have booked a regular slot for 10 weeks with qualified swimming instructors at Reeds School in Cobham. The children will be transported on a coach and our staff will be present at all times.

Thank you for completing the Google form that was sent to you on 16th March. The swimming lessons will be designed to either help child to learn to swim or to improve their technique, confidence and stamina. This is part of Year 4's morning PE session and we have also organised to use Reeds School's sports centre for part of the morning if they are not timetabled to swim.

Dates

Each class will be split into three groups and will have a 30-minute swimming lesson every Tuesday morning starting on the 26th April until 5th July. The coach will leave after registration.

We recommend that children come to school with their swimming costume underneath their PE kit. Please remember to pack underwear to swap into after swimming. All items should be named and jewellery left at home.

Cost

We have sourced the best value option for these swimming lessons but would ask for a contribution of £3.50 each week towards the travelling costs (£35 for 10 weeks). This is voluntary but would be so helpful to the school. Please make your payment using our ParentPay online booking system, click here to access <https://www.parentpay.com/>.

We do believe that being able to swim is an essential life skill and swimming confidently and competently is a wonderful experience. If you have any queries about the swimming, please do get in contact.

Yours sincerely,
