Dear Y3 Families,

New Teachers for the Summer Term

I am writing to advise that we have made some adjustments and additions to the Year 3 team to replace Miss Wells.

Mrs Corps will increase her time in 3W from 1.5 days to three days, so will be in class on Tuesday, Thursday and Friday. Mr Cope, who has worked with the school as a tutor since Summer Term 2021, will be the teacher on Monday and Wednesday morning. PE will move to Wednesday so the children will have PE lessons in the afternoon. Mr Cope will join us from Monday 16th May due to prior commitments so for the first four weeks Ms Brooks, deputy headteacher will be the class teacher.

Fridays in 3P will now be taught by Mr Botham, who is an experienced teacher and has previously worked with Ellingham Primary School, as Mrs Corps is moving to 3W.

We are delighted to welcome Mr Cope and Mr Botham to the Ellingham team and know that they have your child's well-being and progress at the heart of all they do.

Best regards

Yours sincerely,

Mrs L Keogh
Headteacher
